3.	DHDS project, Mathura Refinery	368.96
4.	DHDS project, Panipat Refinery	363.13
5.	DHDS project, BPCL, Mumbai	700.18
6.	DHDS project, Visakh, HPCL	956.82
7.	DHDS project, Mumbai, HPCL	913.78
8.	DHDS project, CRL	973.37
y.	DHDS project, MRL	915.22

Indo-Oman Gas Pipeline Project

997. SHRI GOVINDRAO ADIK: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) what is the present status of Indo-Oman gas pipeline project passing through Pakistan;

(b) what are the redeeming features of the project;

(c) whether the project has witnessed cost escalation due to delay in finalisation; and

(d) the details regarding revised cost and proposed schedule of implementation of the joint venture and economic implications of the project?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI SANTOSH KUMAR GANGWAR): (a) The technical feasibility studies of the Indo-Oman sub-sea pipeline project have not been completed. Adequate gas reserves in Oman are also to be established by the Oman Oil company.

(b) Implementation of this project would lead to the supply of 56 million cubic meters of gas per day to India.

(c) and (d) Does not arise as the technical feasibility studies have not been completed.
